*Four decades of serving the needs
of Filipino nurses in the Bay Area
and Northern California*

What We Are About

The mission of PNANC is to promote fellowship and unity among Filipino Nurses, to foster a positive image and to provide activities that assist in the professional development of the Filipino Nurse.

Who We Are

The PNANC is an organization dedicated to serving the professional needs of all Filipino nurses in Northern California. The organization has gained increased strength and visibility statewide and nationwide. The Board is composed of dedicated professional nurses who are elected by the general membership. The various committees are engaged in many activities that are professionally and community oriented.

What We Do

- Promote activities that unify Philippine nurses in Northern California
- Offer programs to promote professional growth and development of its members
- Collaborate with professional organizations and agencies to develop and implement educational programs relevant to nursing practice, education and research
- Participate in community activities and programs that foster health promotion, education, and cultural diversity awareness
- Offer scholarships to qualified nursing students of Philippine ancestry
- Promote mentorship and fellowship among nurses of Philippine ancestry
- Disseminate information regarding legislation and public policies which directly or indirectly affect nursing and health care

Our History

The PNANC, Inc. has been in existence for over four decades.

- 1961 - A group of pioneering Filipino nurses in San Francisco formed the Filipino Nurses Association (FNA). This group was the nucleus of the organization.
- 1981 - FNA became PNA of Northern California, Inc., a California non-profit benefit corporation.
- 1987 - The organization changed its name to Philippine Nurses Association of Northern California, Inc. (PNANC, Inc.)
- 1993 - Sponsored the First International Nursing Symposium held in Manila, Philippines.
1996 - Recognized as a 501(c)(3) non-profit public benefit corporation.
- 1997 - PNANC and PNAA co-sponsored the First Western Regional Conference.
- 1998 - Provided support & assistance in organizing the first Filipino Nursing Student Organization (FNOSA).
- 2000 - Pete Calixto, past President of PNANC became the President of PNAA.
- 2007 - Araceli Antonio, Past President of PNANC became the first elected President of the PNAA Foundation.

PNANC, Inc. can enhance your professional growth!

RECRUITER OF THE YEAR

Recruit ten new members to qualify as the RECRUITER OF THE YEAR. You can also earn 3 PNANC dollars for every member you recruit that can be redeemed towards membership renewal and continuing education tuition. Make sure you write your name as the recruiter to be credited. Download the application form from the website.

Benefits of Membership

- 1. Educational Opportunities** – Scholarship eligibility to deserving and qualified applicants. Discounted rates for local, national, and international conferences.
- 2. Professional Networking** – Automatic membership with the National Coalition of Ethnic Minority Nurses Association, Inc. (NCEMNA). Opportunities for connecting with nurses in various specialties through professional activities at the local, state, national, and international levels.
- 3. Leadership Development** – Eligibility to run for office (RNs) on the local PNANC board and the PNAA national board. Ability to serve on various committees and task forces, and be a resource for foreign graduate nurses.
- 4. Information Dissemination** – Forum and source for important issues, decisions, and actions affecting Filipino-American nurses and the Asian community at large. Free subscription to the PNAA and the PNANC newsletters.
- 5. Nursing Excellence Award** – Opportunity for recognition of outstanding achievements and contributions in clinical, administration, research, education - as well as community and entrepreneurship achievements.
- 6. Privilege of Representation** – National affiliation with the Philippine Nurses Association of America, Inc. (PNAA), along with over 10,000 Filipino-American nurses in the U.S. - along with representation in various professional organizations, government agencies, community groups and, other coalitions
